

# University of Georgia STARS Program

Students & Teachers Applying Real-Life Science

## 2010 Programs for Teachers

**Mon, June 7 – Wed., June 9** – Beginning Biotech Laboratory Skills (2 PLU's)

**Wed., June 9 – Friday, June 11**- Intermediate Biotech Laboratory Skills (2 PLU's)

*A must for high school and middle school science teachers trying to incorporate more laboratory exercises*

Sign up for one or both sessions. University of Georgia Tifton Campus; 9:00 – 5:00; \$30 charge per workshop; Through hands-on exercises, you will be introduced to the basics of using biotechnology equipment like centrifuges and micro-pipets and to performing techniques like enzyme-linked immunoassay and bacterial transformation. We will train you to use equipment we have available for use in your classroom. *Teachers in the school systems of Berrien,*

*Brooks, Colquitt, Cook, Echols, Lanier, Lowndes, Tift, Valdosta City, and Worth will receive a stipend (\$200 per workshop) for their participation in either one or both workshops through our BioScience Technology Circle of South Ga Work Ready Grant.*

### **GIFT – Ga. Intern-Fellowships for Teachers**

- June 7 – July 23    7 Week GIFT Experience
- June 14-July 23    6 Week GIFT Experience
- June 21 –July 23    5 Week GIFT Experience
- June 28-July 23    4 Week GIFT Experience

A 4-7 weeks internship with research scientists & industries in Tifton & Valdosta for selected high school and middle school science, math, and CTAE teachers. 5-10 PLU's offered. Stipend: \$728 a week – Housing available in Tifton. Complete application at [www.ugastars.org](http://www.ugastars.org). Contact Susan Reinhardt for more information.
